County C. E. Convention

The Eighth Annual Convention of the Christian Endeavor Union of Lamoille County was held in Johnson June 25, 1915. There are five C. E. societies in the county and one soon to be organized at North Hyde Park. There were 45 delegates present from the visiting societies.

The following officers were chosen for the coming year:—President, Rev. F. W. Hazen, Johnson; Vice President, Miss Beryl Powell, Jeffersonville; Secretary, Miss Janie K. Holmes, Johnson; Treasurer, Mrs. A. R. Straw, Stowe; Supt. of Missions, Mrs. Flora Blaisdell, Jeffersonville; Supt. of Juniors, Mrs. Woodbury, Morrisville.

The meeting was opened by a praise service led by Rev. H. S. Winslip of N. Hyde Park. He gave us the thought contained in John 15:7, 8.

The first topic was "Christian Endeavor in Our New Day," by Rev. F. W. Hazen. He expressed the desire that we might gain a mountain top experience at this convention and receive a broad view of the opportunities of a Christian Endeavorer, and the object of C. E. is to train young people not to be satisfied with the material things of the present day and to show that Christianity is practical for this New Day.

The next topic, "Christian Endeavor Ideals," was by the State President, Rev. W. E. Baker, of Morrisville. He took the pledge as the Ideal of the Endeavorer. The first word, "Trusting," shows faith in God. "I promise," in God's presence, "I will strive," learn to endure hardness, "make it a rule, to pray, to read the Bible, to lead a Christian life." O. E. S. stands for Consecration, Enthusiasm, Service.

The next topic was "The Dynamics of Exploits," by Rev. E. O. McFarland of Cambridge. People that know God are dynamics. Daniel was a dynamic, because he prayed regularly. He emphasized the fact that the C. E. societies of this county should be the life of the church, in which they exist, for they will be the church of the next generation.

In the afternoon Rev. H. S. Winslip gave many suggestions how the young people may help in the community in which they live.

After the Missionary Conference, led by Miss Flora Blaisdell, we listened to a most interesting address by Prof. H. E. Safford, Ragoon, Burma, on "Missions in the Land of Rice and Rubies."

The following resolutions were accepted and adopted:—

Resolved, That we extend to the Christian Endeavor of Johnson, its pastor and people, our sincere thanks for their bountiful dinner and their generous hospitality.

Resolved, That we heartily commend the vigor shown by our local societies in their various missionary programs, that such interest indicates a healthy spirit and should have only greater emphasis in all local work.

Resolved, That the Christian Endeavor Pledge embodies the ideals of Christian Endeavor and the essential ideals of Christian life and service, and that the tendency among members to ignore the obligations of the pledge is to be deplored, and that each local society in their prayer meetings and through their various committees and in all ways should earnestly strive for a higher standard of loyalty thereto.

Resolved, That there is an unhealthy laxity in the work of our Christian Endeavor Committees; that greater loyalty on the part of such committees in performing their duties would do much toward solving all local problems, both those of the organization and the church; and therefore, that it would seem to be the duty of all committees to cultivate a conscientious understanding of their several obligations and a greater fidelity in their performance.

Respectfully submitted by Committee on Resolutions.

REV. F. B. HYDE, Chairman,
MRS. JENNIE KNEELAND,
MRS. BERYL STEWART.
